bedrooms and 2 bathrooms (1 bedroom has its bathroom en suite), and a staircase that takes us to the second floor, which corresponds to a huge solarium terrace, also with unbeatable views.

On this terrace we have an area to relax, an area to eat with its barbecue, and its own bathroom so we don't have to go down every time we need it.

All terraces have their own awnings.

Finally, to this apartment we have to add a wide parking space and a storage room to store everything we can imagine.

Do not hesitate to contact us to schedule a viewing, we will be happy to provide you with the property you dream of.
